

GPP-90

90" Pizza Prep Table

The Glacier commercial pizza prep table has both durability and modern functionality. Crafted from heavy-duty stainless steel to work in the most demanding kitchen environments. Keep toppings and ingredients fresh and organized with the insulated hinged cover and multiple pan containers provided. Conveniently store additional items in the bottom compartment, made possible by removable wire shelves that offer adjustable configurations. With a temperature range of 33°F to 41°F, it efficiently chills and safely preserves various foods.
