ICETRO America utilizes the IcePro water treatment systems in providing built in pre-filtration to all of our systems as well as controlling scale with a patented blend called Citryne*. The IcePro series is a complete system without the need to add additional pre-filtration or scale control.

Extend parts & labor warranty 1 year by installing an IcePro filter/cartridge and by registering it at: icetrowaterproducts.com/registration/

* Applies only to new ice machines, at the time of original installation & start-up.

** Requires replacement of the filter cartridge every 6 months or earlier

* Design and specifications are subject to change without prior notice.
