

CONTAINER SOLD SEPARATELY

Scan this code to find out more about this product:

Commercial Series Sectionizer

- Faster & more efficient than knife prep
- Effortless cutting with our easy-to-pull lever design
- Uniform slices & wedges for consistent presentation
- Interchangeable blade cup and plunger sets for maximum versatility (each sold separately)
- The extra sharp interchangeable blades allow you to easily slice citrus fruits, core and wedge apples and pears, slice tomatoes and mushrooms for sandwiches, or wedge them for salads
- Easy cleanup with dishwasher safe parts
